BOARD OF MEDICAL LICENSURE AND DISCIPLINE

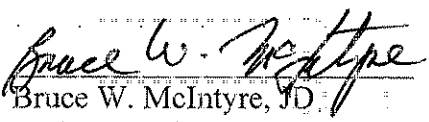

**IN THE MATTER OF
E. BRIEN DUGAS, M.D.**

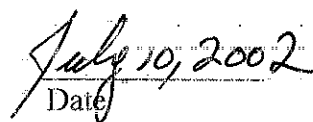

ORDER

The Board of Medical Licensure and Discipline received a petition for relieve from a mandated monitoring contract with the Physician's Health Committee of the Rhode Island Medical Society that was part of a Consent Order that was entered with the Board on February 10, 1999. The Consent Order resolved certain issues related to competence, ethics and a question of substance abuse.

After consideration of the petition for relief from the Consent Order and monitoring contract along with the recommendations of the Physician's Health Committee, the Board of Medical Licensure and Discipline finds that the Petitioner has successfully completed the terms of the agreement and, therefore, grants Petitioner's request.

For the Board,

Bruce W. McIntyre, JD
Acting Chief Administrative Officer
Board of Medical Licensure and Discipline
